

**THIS YEAR PREPARE YOUR CHILD FOR
A LIFETIME OF READING SUCCESS!**

CAMP ALPHA-MANIA™

AN INTERACTIVE PRE-READING PROGRAM FOR AGES 3 TO 5

Created by and exclusively available at Ruth Rumack's Learning Space in the heart of the Annex.

A staple of summer fun for pre-schoolers, Camp Alpha-Mania™ is once again ready to show children ages 3-5, that learning their letters is a joyous event. During Camp Alpha-Mania™'s ten, week-long sessions, children will be captivated with creative play that builds life long reading skills.

Each week, campers enjoy interactive games, songs and crafts that significantly improve their phonemic awareness. Curiosity is encouraged and a love for language developed!

Camp Alpha-Mania™ is founded on thorough research. The activities use phonetic principles and are based on the five researched predictors of reading success; rhyming, blending, segmenting, recognizing sound-letter combinations, and recognizing sounds within words.

Children love Camp Alpha-Mania™ because they have fun, and are eager to learn in our warm environment. Parents love Camp Alpha-Mania™ because it promotes early reading and strengthens self-esteem. Small camp size and a trained staff of professional educators, ensures that every child receives personal attention.

Over the past ten years, Camp Alpha-Mania™ has encouraged a love for language in scores of preschoolers. Have your child become an Alpha-Maniac at Camp Alpha-Mania™ and set them on the road to reading success!

"My 4 year-old son was already interested in letters, and Alpha-Mania gave him a chance to really play with his knowledge. The ideas were creative and there were a great variety of activities!"

4 year old student*
