

Ruth Rumack's Learning Space Presents The Eye-Opening Art Program For 3-5 Year Olds

CAMP MINI MASTERS

Imagine your child creating artwork inspired by such greats as Henry Rousseau, Georgia O'Keefe and Van Gogh. Welcome to Mini Masters, the art program designed to ignite young children's artistic senses.

Each week at Mini Masters, children will learn about a master artist who greatly contributed to our world. They will then explore colours, methods, materials and motifs, creating their own pieces, directly inspired by the master's work.

A hands-on program, Mini Masters gives children the opportunity to work in mediums that they may never have experienced before. Each lesson is a new creative opportunity. They will paint like Picasso, snap self portraits à la Keith Haring, or sculpt inspired by Michelangelo.

The class is taught by experienced and accredited teachers who understand how to encourage young minds. Maximum registration is twelve children, so that everyone receives personal attention.

Mini Masters is a gateway for children to experience the joy of their own artistic powers. Enroll today by filling out the attached registration form and faxing it to (416) 920.5796. For information call (416) 925.1225, or visit www.ruthrumack.com.
