COURSES AVAILABLE AT YOUR LOCATION

✏️ POWER PENCILS HANDWRITING

Ages: JK to Grade 2 (Printing Program)
Grade 3 to 6 (Cursive Program)

Power Pencils is based on Handwriting Without Tears™, an award-winning program designed to teach graphomotor skills and strategies for letter formation, spacing, neatness, writing efficiency, and cursive connections.

This course is recommended for students who are:
- Beginners
- Struggling with writing tasks
- In need of improving neatness/formation
- Diagnosed with dysgraphia

⌨️ QWERTY KEYBOARDING

Ages: Grade 3 to 8

QWERTY is designed to teach proper keyboarding techniques.

Each lesson consists of fun, multi-sensory activities to help students memorize the keyboard, which helps them learn touch-typing quickly and easily.

This course covers:
- Correct keyboarding posture and positioning
- Efficient typing strokes
- Strategies to improve keyboarding accuracy and speed
