Dear families,

The RRLS team has been working hard on ensuring the health and safety of our students and staff, as well as modifying our programming to suit the current times. Starting tomorrow, we will move all in-person lessons to an online format. These lessons will continue to be crafted for the individual needs of each student.

Our commitment to education motivates us to push forward as we find innovative ways to offer academic continuity, routine, and stability for our students. Please continue following our updates as we make even more e-learning programs available in the coming days.

Thank you for your support; we look forward to seeing you online.
